

# Master Police Chaplain Certification

**Online Program  
California Practical  
Chaplain Association**

# About This Program

The California Practical Chaplain Association (CPCA) is the currently the only agency certified by the state of California Peace Officer Training & Standards (P.O.S.T.) to train and deliver Basic Law Enforcement Chaplain training and Critical Incident Stress Debriefing (CISD) training to Police and Public Safety agencies in the state.

This online training program is designed for Police Chaplains who have already completed the Basic Chaplain Certification Program (California P.O.S.T. Course # 40010 Basic Law Enforcement Chaplain Course).

It is comprised of 46 Courses that are taught to Police Officers at the Police Academy to give the Chaplain a better understanding as to the work, environment and duties of those they serve in their capacity of a Police Chaplain.

If your a Police Chaplain and you want to have a better understanding of the complex nature of a Police Officer, then this course is for you. You will learn the exact same information taught to Police Officers in California Police Academies.
